

RD

Neptuno

391/37

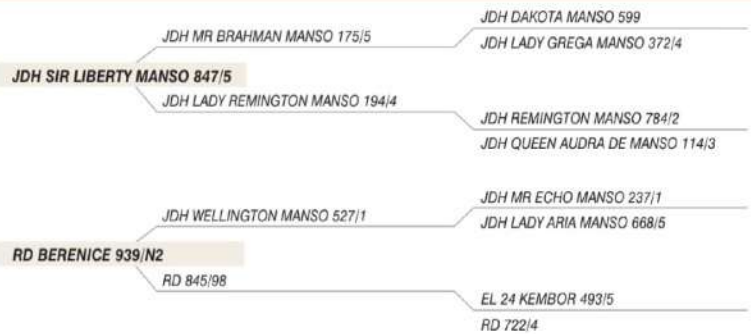

A very masculine, medium-sized bull with excellent structure. He is passing on to his offspring length, a strong back, a short navel, musculature, and very good bone, which has led them to win important prizes at various fairs in Colombia.

Madre: RD BERENICE 939/N2

JDH

Mr. Diego

MANSO 244/7

Excellent bull with one of the best genetics in the world. USA Imported and bred by J.D. Hudgins. Great phenotype, with outstanding muscles that he transmits to his offspring, medium size, good hump and well placed on the withers, good back with a very soft haunch. Wide at the front and very deep in the middle third, with very good aplombs and good pigment. Bull to improve muscles and general conformation, use it on tall cows.
